**Don't spend your time standing in line. With Direct Deposit, your pay is automatically deposited each and every pay period. There will be no special trips or waiting in line to cash a check or make a deposit.**

## Direct Deposit Gives you peace of mind.

- Direct Deposit gives you control. Financial planners recommend Direct Deposit as a way to start gaining control of your finances.
- Direct Deposit gives you peace of mind. The payment is always there no matter where you are.

## Direct Deposit is safe and confidential.

- No Direct Deposit payments have been lost.
- Direct Deposit is more confidential. From three to nine people at a financial institution handle each check compared with one or two people who handle a Direct Deposit transaction. There is considerably more security and control with an electronic transaction.

## Direct Deposit advantages.

- No more waiting in long bank lines. You can save up to 72 hours per year by not having to go to the bank to deposit checks.
- Timely and secure deposits.
- Prompt availability of funds.
