DUES & MEMBERSHIP

Value and service

NASPE dues are paid on a fiscal year (July 1-June 30). Dues invoices for the upcoming year are sent in March of each year.

NASPE dues are \$5,000 per year for state members and includes registration, 3 nights' hotel, and airfare for one person per dues-paying state to the Annual Meeting.

HR professionals throughout the state may access NASPE benefits and resources, but it is NASPE's practice to limit those listed on the official roster to the top three (four at most) senior HR staff in the central HR agency. Others in the state can remain on NASPE's mailing list for general announcements such as meetings and publications.

NASPE has a corporate membership program available to private-sector organizations that provide products, services and solutions for state government human resource management.
