Subject: Governor LePage Proclaims Maine State Employee Recognition Day

Dear State of Maine Employees,

In recognition of the significant contributions state employees make to the State of Maine and its citizens, I have proclaimed today, May 9, 2018, as [Maine State Employee Recognition Day](#) (PDF, 1.5MB).

The proclamation occurs during national Public Service Recognition Week (May 6-12, 2018), an event which recognizes the outstanding work of public sector employees across the country.

While I annually recognize executive branch employees and managers of the year in a ceremony at the Blaine House, Maine State Employee Recognition Day is an important way to recognize and honor all state employees and draw attention to the talent our civil servants bring to their work each day.

State government is one of Maine's largest and most diverse workforces. It is also home to some of the most hard working and dedicated employees in our state, many of whom continue to give back to their communities in their free time. I appreciate all you do for the people of Maine and thank you for your continued efforts on behalf of the citizens of our great state.

Sincerely,

A handwritten signature in blue ink that reads "Paul R. LePage". The signature is written in a cursive style with a large, stylized initial 'P'.

Paul R. LePage
Governor
