Seal of the State of Indiana

Dear State of Indiana team,

Every year in May, we take time to celebrate public servants who work for federal, state and local government.

Hoosiers like you understand the importance of serving others by dedicating your career to public service. It is your hard work assisting Hoosiers from all walks of life that allows our state to fire on all cylinders. When I travel across Indiana, I see the results of your work in various cities and towns, and you should be proud of the work you do each day.

We're cultivating a strong and diverse 21st century economy—having recently been named the fifth-best state for doing business by *Chief Executive* magazine. And we're attacking the drug epidemic through prevention, treatment and enforcement to help our fellow Hoosiers from the scourge of addiction. From the INDOT worker laying asphalt to help us maintain the Crossroads of America, to the DNR gate attendant welcoming Hoosiers to their state parks this summer, you are delivering great government service.

Janet and I are honored to serve alongside you to make Indiana a better place to live, work and play. Together, we will continue taking Indiana to the Next Level.

Thank you,

Eric J. Holcomb
Governor
