Dear Commonwealth Employee:

On behalf of all Pennsylvanians, Frances and I would like to express our heartfelt thanks and appreciation to all of you on State Employee Recognition Day.

The commonwealth relies on dedicated professionals like you for programs and services that benefit millions of people each day. Your commitment to your jobs and to public service are key to our success.

In addition, you are to be applauded for serving as active members of your communities and demonstrating your generosity towards others by donating millions of dollars to charities through our SECA campaign.

Over the past three years, you have helped to make government work better for the people of Pennsylvania through your innovative spirit and drive for excellence. Working together, I know that we can continue to improve how we serve the commonwealth and set a course for an even better, brighter tomorrow.

Thank you!

Tom and Frances Wolf
